

Congratulations to the teams below on making the finals of the 2008 Referee's Shield Pre-Season Competition in either Mens, Womens or Over 35s.

All teams regardless of finishing position will play 2 games next Friday (>35s) or Saturday. Both games will be at the same field. All games will be played the same way as previously, except those Semi Finals, Preliminary Finals and Grand Finals listed below. They will immediately go to a penalty shoot out if level at full time (no extra time). (They have been highlighted in "Red" in the overall draw.)

Teams who lose the semi-final may end up playing a team they have previously played, without knowing the results in advance it is impossible to judge 100% accurately sorry.
